Agencies are responsible for submitting all documentation for records destroyed during the past fiscal year when completing your agency's Annual RDA Implementation Report. Please email destruction notices for both obsolete paper and electronic records to Charles.Busby@archives.alabama.gov.

9. If your agency has NOT destroyed obsolete temporary records within the past reporting year, please select the reason(s) below:

Check all that apply.

Permanent Records

According to state law, permanent records cannot be destroyed and should be transferred to the Alabama Department of Archives and History at 624 Washington Avenue. As the state's government records repository and home to the state history museum, the ADAH seeks to ensure that historic records are preserved for the future. Please refer to your agency's RDA for examples of permanent records series. For assistance in transferring permanent paper or electronic records to the Archives, contact Rebecca.Jackson@archives.alabama.gov.

13. Agencies are obligated to preserve permanent records and should transfer them to the Archives when they are no longer regularly referenced. *

Check all that apply.

I understand these requirements.

Meeting Files

Meeting minutes, agendas, and packets represent core documentation of the decision-making processes of government bodies. While official (signed) meeting minutes are often paper-based and should always be preserved for eventual transmittal to the Archives, the ADAH requests that agencies transfer electronic versions of meeting files (including signed or unsigned minutes) on an annual basis.
