

Then and Now; Famous Faces Tour

(K-2)

- Students will learn about lifestyles of the past and compare them to modern-day living. Household artifacts will be discussed and compared to the modern objects that replaced them. Students will also embark on a history hunt in the *Sampler Gallery* where they will find old objects that match their hunt cards.
- Students will learn about famous Alabamians through a dress up activity. Past and present contributions of a variety of individuals who have overcome difficulties or obstacles to achieve goals will be identified.
