

## 2020 Alabama History Institutes: Grades 3-6

### Native Americans: The Four Nations of Alabama

Little River Canyon Center, Fort Payne

June 17-19, 2020

Julie Caminiti, Fort Payne City Schools

Come explore with us through Alabama's rich Native American history. This institute will dive into hands-on learning about the different Native American tribes that lived in our state. Participants will create models of various types of homes and traditional pottery. Guest speakers will share background knowledge about specific tribes to illuminate the impact that the tribes had on Alabama. Teachers will take field trips to the Manitou Cave of Alabama, Willstown Cemetery, and the Fort Payne Cabin historic site. Learn how to make history come alive with Breakout activities, interactive games, intriguing primary sources and so much more. You won't want to miss this professional development opportunity!
