

Cornucopia Directions

1. Color and decorate the pre-cut triangle.
2. Fold the triangle into a cone (with decorated side out) and tape the two sides together.
3. Tape the pre-cut handle to both sides to form a handle.
4. Take your cornucopia home and fill it with harvest items, such as leaves, berries, and acorns. You can use your cornucopia as a table decoration or tree ornament.

Cathay Lantern Directions

1. Fold the pre-cut rectangle lengthwise. Color and decorate each side.
2. Use scissors to cut lines starting from the folded side. **Do not cut all the way to the end.** Leave about ½ inch of paper not cut. Cut lines evenly spaced out.
3. Open the paper and roll it into a cylinder. Overlap the edges slightly and tape them together.
4. Tape the pre-cut handle to both sides of the top to form a handle. You can use your Cathay lantern as a tree decoration.
