Movies Made in Alabama

Color the frame, then cut along the dotted lines. Don’t cut the whole inside square out.

Go to archives.alabama.gov for more information about Alabama!
Movies Made in Alabama

Draw a picture in each box to be your movie. Then cut the film strip out by cutting on the dotted lines.

Tell someone your story as you pull the film strip through the frame.

Throw away in scrap paper left over.

If you want to make your movie longer, draw on another film strip and then cut it out.

Next you will want to slide the film strip through the frame.

Finally cut the film strip out by cutting on the dotted lines.

Draw a picture in each box to be your movie.
