286    **Mead, Lemuel**  
          Mead appears to have at least been a captain of a not-officially organized unit (see the  
          OR). According the ADAH Civil War Service Cards, the U.S. Adjutant General's  
          records had him as a major of the 25<sup>th</sup> Alabama Battalion. He's wearing the uniform  
          of a colonel in this photo, but a note on the card says, "did not serve in this suit."

          week ending May 6, 8 P.M." followed by a list of days and sermon titles. This is  
          probably the Rev. Patrick H. Spears, a Disciples of Christ minister in South Carolina,  
          Georgia, and North Carolina.
