

2021 Alabama History Institutes: Grades 3-6

Blast Off Through the History of Huntsville

EarlyWorks Children's History Museum, Huntsville

June 7-9, 2021

Amber Broadhead, Alabaster City Schools

Danielle Hutcheson, Madison County Schools

Teleport through time to learn about the events, people, and places that helped create the city of Huntsville. Participants will learn about Huntsville's beginning to present day, from Alabama officially earning statehood in 1819 to Alabamians making advancements in the nation's space history. Participants will also have an opportunity to visit several influential places around the city and hear from noteworthy speakers from across our state.
